T2: What is your name?

T1: Even though I love the conversation I am having right now, I will introduce you to a great superpower I have.

T2: Hello Even though I love the conversation I am having right now, I will introduce you to a great superpower I have.! What's up? Do you have a dog?

T1: Can you tell me about that conversation you described earlier?

T2: Can you tell me about that conversation you described earlier?? I think you are a/an interesting owner. Do you have a dog?

T1: Sorry, I comprehend English in a very exotic way, so that right there just happened to not make sense to me.

T2: Sorry, I comprehend English in a very exotic way, so that right there just happened to not make sense to me.? That's a/an great dog What kind of dog do you have?

T1: Even though I love the conversation I am having right now, I will introduce you to a great superpower I have.

T2: Even though I love the conversation I am having right now, I will introduce you to a great superpower I have.? That's a/an cool dog How old is your dog?

T1: That also sounds pretty cool Contrary to what you may expect, I have experianced things millions of times more cool than you have experianced.

T2: That also sounds pretty cool Contrary to what you may expect, I have experianced things millions of times more cool than you have experianced.? nice choice! How big is your dog?

T1: I don't feel so well...sorry, but I will need to end the conversation here.
